Markdown Print Validation

This report validates complete, selectable PDF output. **Bold text**, *italic text*, and a citation link remain readable.

Distribution across titles

Tables must fit the page and repeat their headings across page breaks.

Genre	Sample size	Success share	Details
Genre 1	310	18%	Measured across titles; row 1.
Genre 2	311	19%	Measured across titles; row 2.
Genre 3	312	20%	Measured across titles; row 3.
Genre 4	313	21%	Measured across titles; row 4.
Genre 5	314	22%	Measured across titles; row 5.
Genre 6	315	23%	Measured across titles; row 6.
Genre 7	316	24%	Measured across titles; row 7.
Genre 8	317	25%	Measured across titles; row 8.
Genre 9	318	26%	Measured across titles; row 9.
Genre 10	319	27%	Measured across titles; row 10.
Genre 11	320	28%	Measured across titles; row 11.
Genre 12	321	29%	Measured across titles; row 12.

Genre	Sample size	Success share	Details
Genre 13	322	30%	Measured across titles; row 13.
Genre 14	323	31%	Measured across titles; row 14.
Genre 15	324	32%	Measured across titles; row 15.
Genre 16	325	33%	Measured across titles; row 16.
Genre 17	326	34%	Measured across titles; row 17.
Genre 18	327	35%	Measured across titles; row 18.
Genre 19	328	36%	Measured across titles; row 19.
Genre 20	329	37%	Measured across titles; row 20.
Genre 21	330	38%	Measured across titles; row 21.
Genre 22	331	39%	Measured across titles; row 22.
Genre 23	332	40%	Measured across titles; row 23.
Genre 24	333	41%	Measured across titles; row 24.
Genre 25	334	42%	Measured across titles; row 25.
Genre 26	335	43%	Measured across titles; row 26.
Genre 27	336	44%	Measured across titles; row 27.
Genre 28	337	45%	Measured across titles; row 28.

Genre	Sample size	Success share	Details
Genre 29	338	46%	Measured across titles; row 29.
Genre 30	339	47%	Measured across titles; row 30.
Genre 31	340	48%	Measured across titles; row 31.
Genre 32	341	49%	Measured across titles; row 32.
Genre 33	342	50%	Measured across titles; row 33.
Genre 34	343	51%	Measured across titles; row 34.

Code and long links

```
const measurement = "long_value_long_value_long_value_
```

Finding 1

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 2

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 3

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 4

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 5

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 6

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 7

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 8

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 9

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 10

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 11

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 12

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 13

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.

Finding 14

This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages. This paragraph checks pagination, margins, and the preservation of text across multiple pages.
